Office Action Summary

Art Unit 3662

1. This action is supplemental to the office action mailed 31 July 2001. The statutory period for response will be restarted from the date of this letter.
2. In response to Applicant's petition/inquiry filed 10 August 2001, the document entitled The V-Chip Controversy, Project 1, EE4984: Telecommunications Networks was submitted by Applicant in the original filing of 17 February 2000. An effort to make it of record in the office action mailed 1 August 2000 on the PTO-1449 submitted with it, resulted in that reference being crossed-through, since it was not then located in the file. Subsequently, though, it was found in the file and made of record per Applicant's inquiry filed in the remarks to Amendment B filed 1 February 2001. Accordingly, no copy of the reference has been provided to Applicant.
3. Any inquiry concerning this communication should be directed to Stephen C. Buczinski at telephone number (703) 305-1835.
